## PROJECTS

**FitnessTracker** | <https://github.com/marisamark/FitnessTracker> | <https://fitnesstrackerhomework.herokuapp.com/>

- This app allows you to make new workout entries as well as add them to your latest workout to keep track of your fitness progress.
- JavaScript, HTML, CSS, Mongoose, Heroku

**Music-Space** | <https://github.com/marisamark/Music-Space> | <https://marisamark.github.io/Music-Space/>

- This app was designed for users to search for an artist, see their top rated albums and songs as well as any events that they might be performing at. If there is an event listed, the user can click a button that brings up a Ticketmaster link to purchase tickets for the artist's upcoming show.
- Designed and organized the front-end of the project, utilized BULMA to create elements to display the data from the music API we used and styled the app to be responsive

## MARKETING AND PUBLIC RELATIONS EXPERIENCES

**KPOP FOODS INC**, Los Angeles, CA

June 2018 - August 2018

**Marketing and Public Relations Intern**

Wrote product pitches to various companies for email sweepstakes, drafted press releases to announce brand partnerships, and marketed the KPOP Sauce and Sea Snacks through Korean food blogs.

- Expanded their email list by more than 500 subscribers in 6 weeks through DojoMojo honing time-management skills

**FAITH REGENERATION FOUNDATION (FRF)**, London, UK
